

### Fully Renovated Link house at Jalan Kasah

This gorgeous Double Storey Corner Link House at Medan Damansara was featured in the newspapers due to its stand out interior design. It is extensively renovated while its interior boasts a modern yet minimalistic ambience courtesy of an up and coming interior designer.

It comes fully furnished with chic & modern furniture while the kitchen is fully equipped with white goods. One can also unwind and enjoy a sky bath via the outdoor bathtub.

This house would also work as a brilliant investment. The possibility of adding an additional storey and being within walking distance to the upcoming MRT & Pavilion integrated development signifies this house's potential.
