

Damansara Heights, Setiapuspa

Land Area- 22x100

Build up- 3000sf

3 +1 bedrooms

Asking Price-RM 2.2mil

Beautiful house that has been fully renovated and extended with an outdoor terrace in the middle that allows for beautiful natural lighting through the house. It is in very good condition with lots of potential to be upgraded. The balcony from the master bedroom has also been extended which makes it suitable for a roof top garden.
